

LGL Announces Addition of Param Nampoothiri as Director of Product Marketing for MtronPTI

Further Investment in Frequency Control Portfolio to Strengthen Market Position

ORLANDO, FL, February 24, 2015 – The LGL Group, Inc. (NYSE MKT: LGL) (the “Company”) announced that Param Nampoothiri has joined MtronPTI as Director of Product Marketing for the Frequency Control Business Unit, bringing significant experience and knowledge of the products, markets and customers within the industry.

Michael Ferrantino, LGL’s Executive Chairman and Chief Executive Officer, said “Param brings technical focus to solving customer problems and finding the right solution for every application. With more than 20 years’ industry experience on sourcing and new product development, he has a proven track record and we expect he will be a major contributor to redefining the technical roadmap for our frequency control business and our goal of revitalizing our IP position to create long-term growth for shareholders.”

About The LGL Group, Inc.

The LGL Group, Inc., through its wholly-owned subsidiary MtronPTI, manufactures and markets highly-engineered electronic components used to control the frequency or timing of signals in electronic circuits. These components ensure reliability and security in aerospace and defense communications, synchronize data transfers throughout the wireless and internet infrastructure, and provide low noise and base accuracy for lab instruments,.

Headquartered in Orlando, Florida, the Company has additional design and manufacturing facilities in Yankton, South Dakota and Noida, India, with local sales offices in Sacramento, California and Hong Kong.
