

## **LGL Announces Addition of Michael V. Horn as Corporate Director of Quality for MtronPTI**

ORLANDO, FL, September 22, 2015 – The LGL Group, Inc. (NYSE MKT: LGL) (the “Company”) announced that Michael V. Horn has joined MtronPTI as Corporate Director of Quality.

Most recently, Mr. Horn was Senior Principal Quality Engineer and Process/Supplier Quality Manager for Nothrop Grumman Systems Company – ES Laser Systems in, Apopka FL. He has a BS Degree, Applied Engineering Math and Physics, and a Master of Science Degree, Engineering/Semiconductor Physics, both from the University of North Carolina, Greensboro.

Michael Ferrantino, LGL’s Chief Executive Officer, said “With more than 20 years of diversified defense contractor/commercial manufacturing experience in microelectronics, electronic assemblies, power meter, and UL/CE regulated assemblies, Mike will give us the depth and insight we need as we move the Company forward into more complex assemblies.”

### **About The LGL Group, Inc.**

The LGL Group, Inc., through its wholly-owned subsidiary MtronPTI, manufactures and markets highly-engineered electronic components used to control the frequency or timing of signals in electronic circuits. These components ensure reliability and security in aerospace and defense communications, synchronize data transfers throughout the wireless and internet infrastructure, and provide low noise and base accuracy for lab instruments.

Headquartered in Orlando, Florida, the Company has additional design and manufacturing facilities in Yankton, South Dakota and Noida, India, with local sales offices in Sacramento, California and Hong Kong.

For more information on the Company and its products and services, contact Patti Smith at The LGL Group, Inc., 2525 Shader Rd., Orlando, Florida 32804, (407) 298-2000, or visit [www.lglgroup.com](http://www.lglgroup.com) and [www.mtronpti.com](http://www.mtronpti.com).

### **Caution Concerning Forward Looking Statements**

This press release may contain forward-looking statements made in reliance upon the safe harbor provisions of Section 27A of the Securities Act of 1933, as amended, and Section 21 E of the Securities Exchange Act of 1934, as amended. Forward-looking statements include all statements that do not relate solely to historical or current facts, and can be identified by the use of words such as “may,” “will,” “expect,” “project,” “estimate,” “anticipate,” “plan,” “believe,” “potential,” “should,” “continue” or the negative versions of those words or other comparable words. These forward-looking statements are not guarantees of future actions or performance. These forward-looking statements are based on information currently available to us and our current plans or expectations, and are subject to a number of

uncertainties and risks that could significantly affect current plans, anticipated actions and our future financial condition and results. Certain of these risks and uncertainties are described in greater detail in our filings with the Securities and Exchange Commission. We are under no obligation to (and expressly disclaim any such obligation to) update or alter our forward-looking statements, whether as a result of new information, future events or otherwise.
