About The LGL Group, Inc.

The LGL Group, Inc. ("LGL", "LGL Group", or the "Company") is a holding company engaged in services, merchant investment and manufacturing business activities. Precise Time and Frequency, LLC ("PTF") is a globally positioned producer of industrial electronic instruments and commercial products and services. Founded in 2002, PTF operates from our design and manufacturing facility in Wakefield, Massachusetts. Lynch Capital International LLC is focused on the development of value through investments.

About The Microcap Conference and DealFlow Events

Organized by DealFlow Events, this 3-day event at Caesars Atlantic City Hotel & Casino will feature company presentations from publicly traded microcap businesses and qualified private companies across healthcare, technology, financial services, energy, and other high-growth sectors. The conference facilitates extensive networking through 1-on-1 investor meetings and interactive activities and entertainment, including a poker tournament and exclusive concert with Soul Asylum.

In addition, keynote presentations and panel discussions led by industry experts will provide key insights into trading strategies, regulations, risk assessment and mitigation, tax issues, and other topics critical to the microcap community. Unlike many other microcap events, there's no invitation required. All are welcome to register and attend.
